

# **Consciousness & Brain Functional Complexity in Propofol Anaesthesia: Supplementary Data**

*Thomas F Varley, Andrea I Luppi, Ioannis Pappas,  
Lorina Naci, Ram Adapa,  
Adrian M Owen, David K Menon, Emmanuel A Stamatakis*

## **Supplementary Dataset A**

CSV file containing the results of all tests, for each subject in Dataset A, comprising Awake, Mild, and Moderate Propofol Sedation as well as the serum propofol concentrations.

## **Supplementary Dataset B**

CSV file containing the results for all tests, for each subject in Dataset B, comprising Awake and Deep Propofol sedation.
